A Chance of Yuri

Enjoy Your Flight p.03

Maestra per la Prima Donna p.08

A Young Voice Actress and Her Ex-delinquent Manager p.27

That was insensitive, even for a one-night stand...

...No hello, no goodbye.

Good morning, madam. We welcome you aboard and hope you'll enjoy your flight in first class

I'm your flight attendant, my name is...

startle!

chuckle!

Looks like
today's
flight is
going to
be really
enjoyable.

Finally,
a proper
greeting...

As SNS (social network service) platforms become widespread, more and more people use them to share information and their own lives. Such as "instagrammable," "viral," etc. show that one no longer needs to be a celebrity to attract attention.

...What
does
it all
mean?

Maestra
per la
Prima
Donna

Time
seems
to fly
too fast
lately.

Streets,
fashion...
Everything
is changing
so rapidly.

Perhaps ..

it's
just me,
unable
to keep up
with these
changes
anymore.

When I'm
on stage,
I cease
to sense
any motion.

I need
to stay
in one place
to remain in
the spotlight

It is the
only place
where
I'm
allowed
to stay
still

crop

That's why,
I never
imagined
any
other place
for me
to be.

Thank you
for
coming!

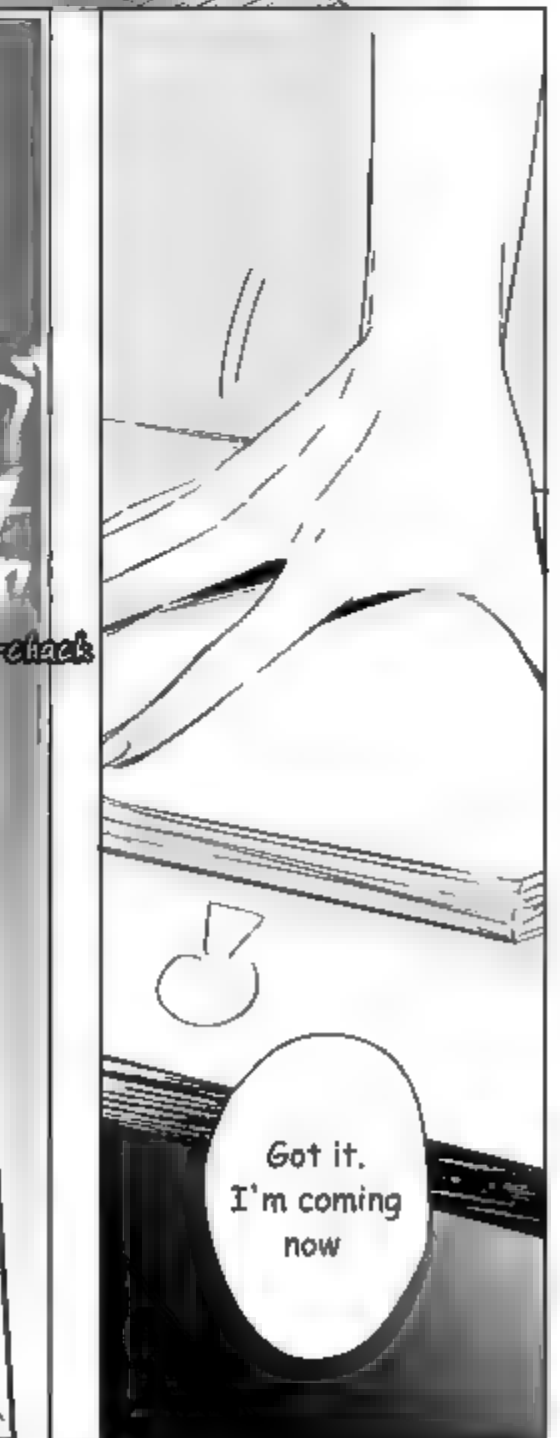

Good
morning!

Please
welcome
Madam
Uenokami!

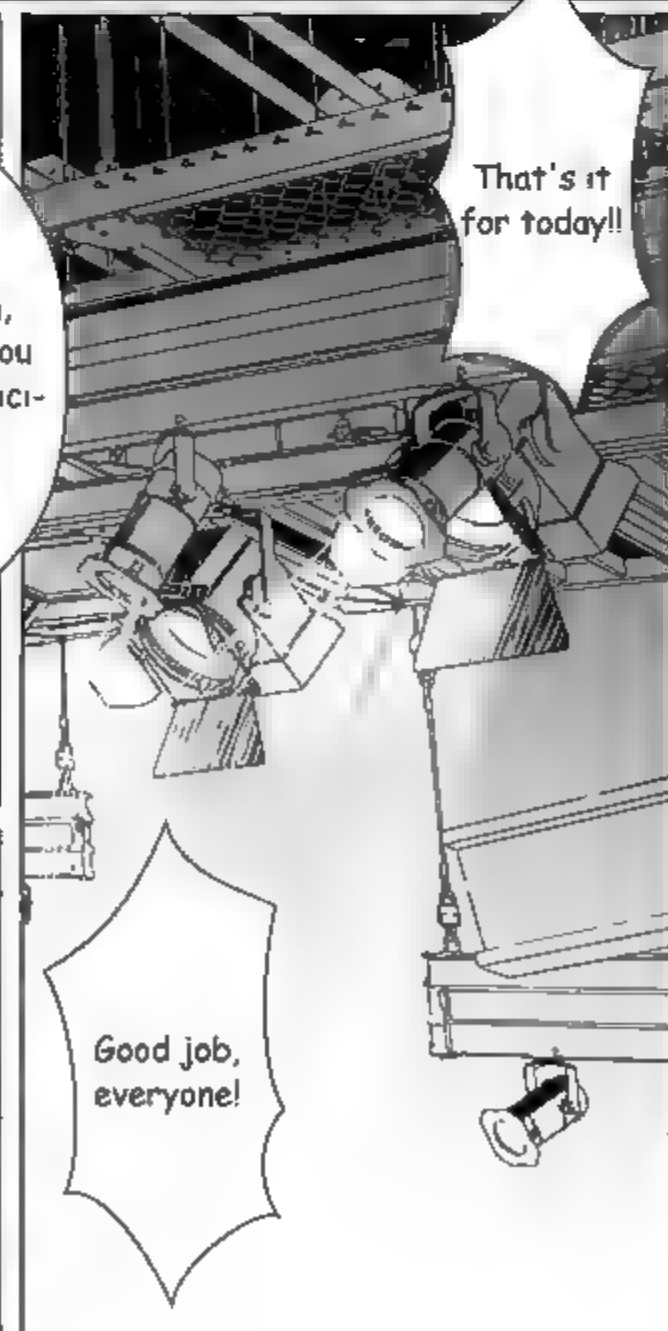

—What
a funny
girl.

Ah...
She must
be one of
today's
guests.

Madam,
thank you
for partici-
pating

No, really
Your input
was invaluable!
It was
an honor
for us
to have you
here...

That's it
for today!!

Good job,
everyone!

Fufu!

Come
to think
of it...

She eagerly
joined the
discussion.
Is she
well-versed
on social
media?

Here's
the key.

Layla-chan,
we'll be going
to the next
venue right away.
Please wait
in the car while
I go say goodbye
to everyone.

Good job!

Ah,
okay!

Thank you
very much!

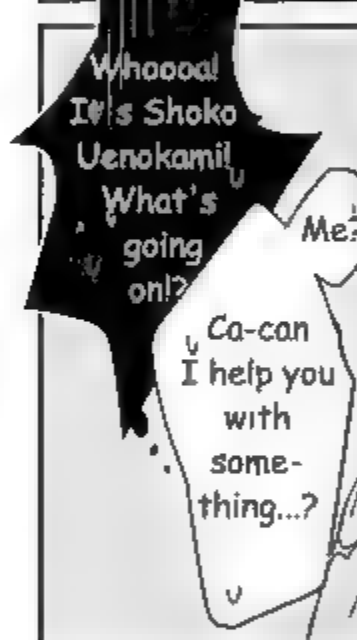

Thank you
very
much!

Excuse
me.

Huh?

Eh?

Me?

sta-re

Come here
for
a moment.

There's
something
I'd like
to ask
you.

Err...
Well,
more or
less...

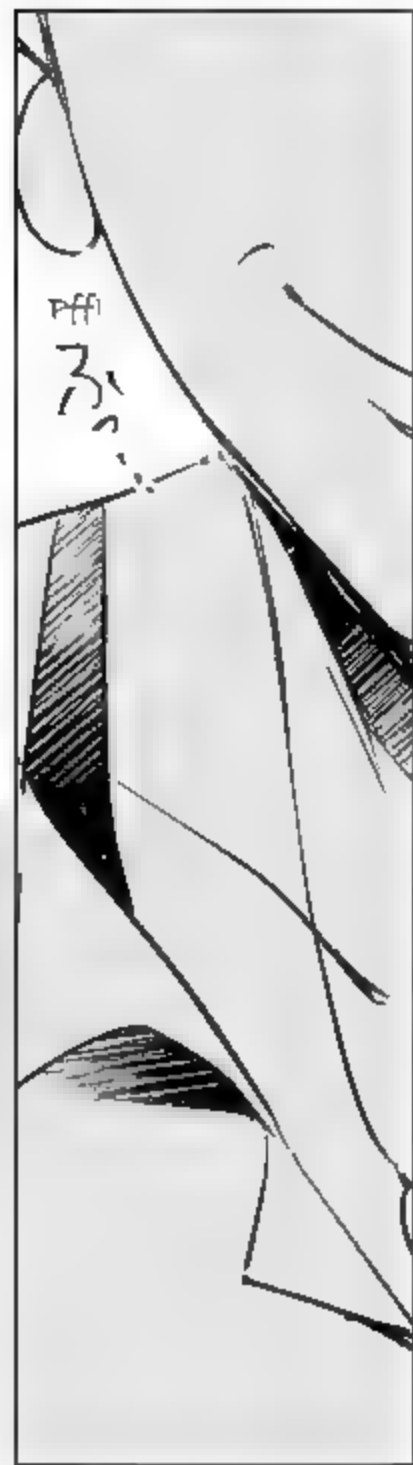

So,
you're
dealing
with that
Insta-
social
networks,
right?

You see,
I'm a bit
ignorant
about
these
matters.

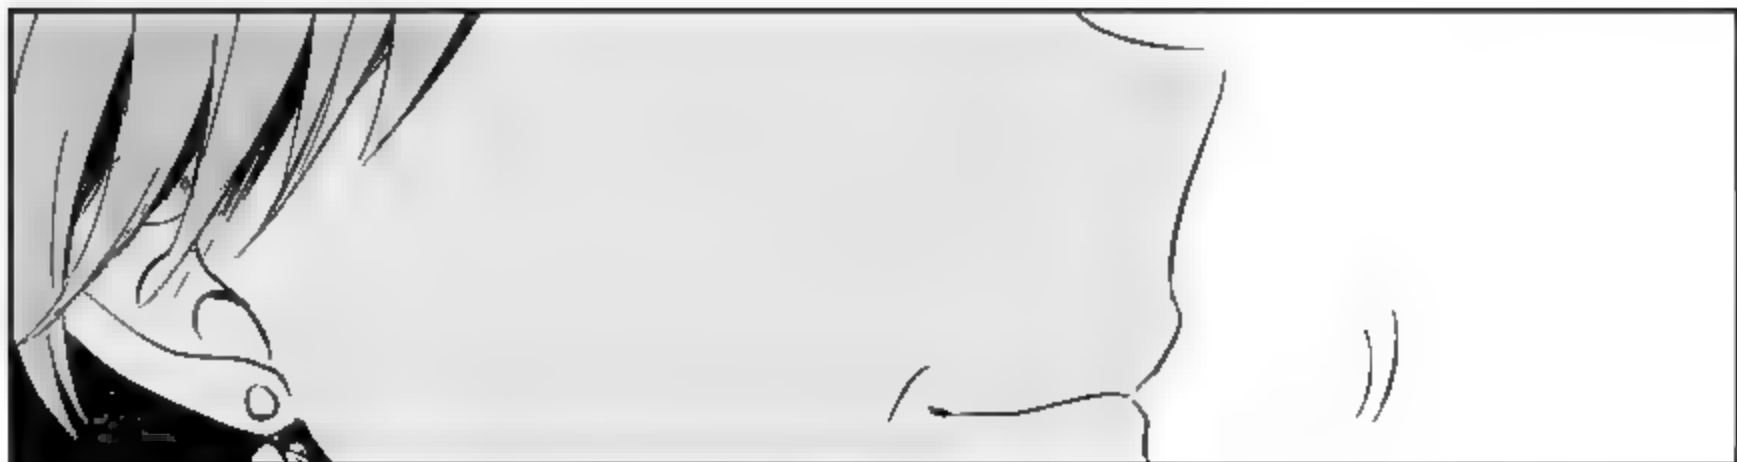

So maybe
you'd
be willing
to tutor
me?

Pff

How am I supposed to start?

FLIP!

All right, let's cut to the chase.

...like an iPod.

...I hate to break it to you,

but don't you have something like a smart-phone or tablet?

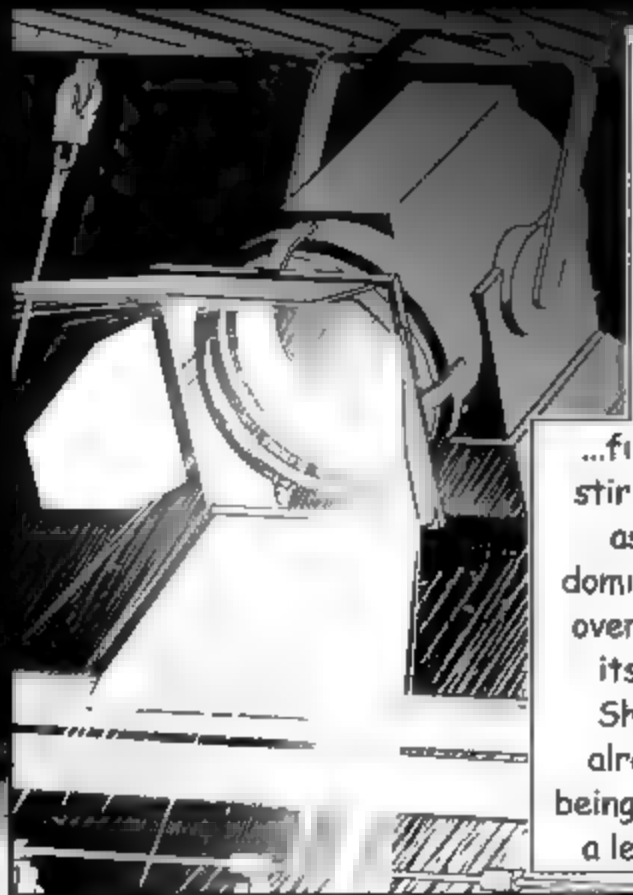

Smart.. tablet? I heard it was possible with just a cellphone.

?

Let's start with the basics!

But the one
at the top
of
this world
has been
reigning
supreme
for decades...

...firmly,
stirlessly,
as if
dominating
over time
itself.
She is
already
being called
a legend.

Even if
you managed
to claw
your way into
this world,
you need
to keep clinging
like mad
to survive.

That's
the world
of
showbiz.

Oh
dear...

?

Is this
really of
no use?

And this
very person
is calling me
"Miss Tutor."

The

for better
or
for worse...

Slightly
far-sighted

...What?
Wasn't
it you
who said
I needed to
learn more
about
the world?

Don't
bother.
It's not
a work account
I want,
just a private
one for
personal
use.

This is
the only
condition
I ask you
to obey
no matter
what.

...Just
to be safe,
don't post
anything
without
the agency's
approval.

Here
she
goes
again...

Understood.

はあ
Haa

By the way,
this tutor...?

Oh,
she's
such
a funny
girl.

She
couldn't
get any
sleep
because
she was
too
excited.

No way

I'm getting my teeth kicked in by all this job hunting.

You kidding!? Showbiz? Manager's job?! You bet! Of course I'm interested!!

3. Acquaintance

Whoa!
What a
sweet-talker.
I'm no good
with her
type...

Yeah,
thank you.
I hope we'll
get along!

You're my
new manager?
Nice to meet
you.
I'm looking
forward to
working
with you!

This is
the voice
actress
you'll be in
charge of.
She's
engaged in
creative
work too.

THROB...

Oh...
Sure...

Let's do
our best
together!

She's just
a simpleton.

SQUEEZE...

4. Afterwards

She's always
too clingy
with me.

Let's go
for a drink
after
this job
is over.
It's a deal,
okay?

Every time
we meet,
she's grinning
like a fool.

Let's hit
it off~

Call me
by my
first name,
okay?

After
all,
this
woman...

This is
the first time
I've seen
someone
with so many
glow sticks
in a guest seat.

...Really
makes me
feel uneasy!

Her charge
at work was
so cute that
she became
a fan
before
she knew it.

AFTERWORD

Hello, to new and old readers alike. My name is irua,
and I would like to thank you for your purchase of this book.

So, after six years of passing every Comiket selection, I finally failed for the first time...
Thus, I'm skipping this year's Winter Comiket. The papers I submitted were all right,
so I guess it was just my bad luck, or perhaps... I'm simply no longer welcome there...

Anyway, this book was initially planned for Winter Comiket, but as that place was lost to me,
I'm releasing it at Comitia.

This time it's a compilation of newly-written works and the oneshot
I posted on my Twitter earlier.

Unfortunately, since the submission deadline moved forward,
I had no time to write a continuation to this Twitter oneshot.
But I'd really like to write one if I have a chance.

As for the title, it doesn't have any special meaning.
It's just because all the stories are about girl couples who met by pure chance.

Well, I have no idea which event I'll be attending next.
If my application for next year's Golden Week Comiket passes, I'll go there.
If not, then it will be Comitia once again. I just felt like writing a widows' yuri story,
so my next release may be it. Otherwise, it'll be a sequel to this book.

Thank you for reading to the very end. I hope we'll have a chance to meet again!
